SHOTS IN ROOF CHASE OF WIRE THIEVES HIT MAN IN NEXT BLOCK

Richard Bradley Is Twice Wounded, May Die—Thieves Cut Out Many Telephones.

Richard Bradley, twenty-two, was fatally wounded early to-day by a shot fired by a policeman pursuing three wire thieves who had cut fifty feet of cable on the roof of No. 439 West Fifty-fifth Street. Seventy-six local telephones in the Greeley Exchange, and fifty direct wires to Boston, Chicago and Cleveland, under lease to the New York Central lines, were put out of commission by the thieves.

Policemen Hoppe and Maher of the West Forty-seventh Street Station, were called by a watchman who said three men were on the roof chopping the telephone cables with axes. The men fled and Hoppe fired five shots after them.

Young Bradley was in front of his home at No. 406 West Fifty-fifth Street, talking with a friend. One bullet struck his right hand and another penetrated his abdomen. He was taken to the Polyclinic Hospital, where the doctors said he would probably die.

The three men did not stop at the shooting, but at Tenth Avenue and Forty-second Street the pursuers arrested one who said he was Walter Schack, nineteen, a printer, of No. 544 West Forty-seventh Street. He was charged with malicious mischief.

BAD DREAMS ARE SYMPTOMS

Health the Cause—Many Alarming Symptoms of Women's Ailments—How Cured.

Paterson, N. J.—"I thank you for the Lydia E. Pinkham remedies, as they have made me feel happy and healthy. Some time ago I felt so run down, had pains in my back and sides, was very irregular, tired, nervous, had such bad dreams, did not feel like eating and had short breath. I read your advertisement in the newspapers and decided to try a bottle of Lydia E. Pinkham's Vegetable Compound. It worked from the first bottle, so I took a second and a third, and I am sure they will help her to get rid of her troubles."—MRS. ELSIE J. VANDER SANDE, 7 Godwin Street, Paterson, N. J.

Women suffering with any form of female ill, or any symptoms that they do not understand, are invited to write the Lydia E. Pinkham Medicine Co., Lynn, Mass. (confidential), and receive advice wholly free of cost.—Advt.

BISHOP GREER, ILL., BROUGHT BACK HOME

Stricken in St. Louis While Attending Session of Episcopal House of Deputies.

Bishop David H. Greer has returned from St. Louis, where he was stricken with neuritis while attending the Episcopal convention. Miss Jean Greer, his daughter, who accompanied him to and from St. Louis, said today: "My father had a comfortable trip home. We thought it much better to bring him home than to take care of him in a hotel, amid the confusion of a big convention. Whether he will go back to the sessions of the House of Bishops I cannot tell yet."

Mrs. Greer came from the summer home of her daughter, Mrs. Thomas S. McLane, at New Canaan, Conn., where she was to have passed the rest of the month, to meet her husband on his arrival.

SEEK TO FREE ACCUSED GIRL.

Habeas Corpus Action for Alleged Member of Bandits.

HAMMONTON, N. J., Oct. 13.—A determined effort will be made to-day to procure by habeas corpus proceedings the release of Millie De Marco, the nineteen-year-old girl who is alleged to have been one of the bandit gang which last week attacked the automobile of Andrew J. Fisher, the "Cranberry King," killing Henry Fisher, his brother, and wounding three others. Gov. Brumbaugh of Pennsylvania has already signed requisition papers to turn the girl and three men prisoners over to the Burlington County officials for trial.

The girl was permitted by the Philadelphia authorities to visit her dying mother in Jefferson Hospital yesterday. Her mother, Mrs. Marie De Marco, sobbingly asserted her daughter was innocent.

DRAWN FROM HER PONY.

Mrs. Minton Killed by Her Mount.

Mrs. Ingersoll Minton of No. 1214 Madison Avenue narrowly escaped death yesterday when she was pulled from her pony in the gymkhana of the Whippany River Club at Morris-town, N. J. Her condition to-day was reported as not serious.

Mrs. Minton was dragged from her mount by her partner, Victor Onatavia, in the Gretna Green Stakes. He had just taken hold of her hand to start in the event when his horse leaped. Mrs. Minton was thrown under the animal she rode and was killed.

Many persons witnessed the accident.
